

Nebraska Ethanol Board

## 2024 EHS Summit

Sept. 12 | Kearney, NE

The responsibility to protect workers and the environment requires a thorough knowledge of the latest rules and regulations.

Partner with the Nebraska Ethanol Board by sponsoring our annual Environment, Health, and Safety Summit.

This is an opportunity to personally connect with conference attendees through live networking and direct digital marketing. Reconnect with existing customers, establish new relationships, increase sales and recognition, and demonstrate your dedication to the biofuels industry.
