

ENVIRONMENT, HEALTH, & SAFETY SUMMIT 2020

Sept. 29 | VIRTUAL | 1 PM - 3 PM

SPEAKERS

DOUG FLETCHER

doug@fletchersafety.com

Fletcher Safety

Doug has worked as a Safety and Health professional for over 23 years. He is a Certified Safety Professional (CSP) and a Certified Industrial Hygienist (CIH).

Prior to starting Fletcher Safety Consulting Inc., Doug worked for Federal OSHA's Omaha area office. During his 17 years with OSHA, he served as a Compliance Safety and Health Officer (CSHO), Assistant Area Director, and the Acting Area Director of both the Omaha and Des Moines area offices.

For much of his OSHA career, Doug served as the Compliance Assistance Specialist (CAS) for Nebraska. In this position, Doug acted as the face of OSHA for employers, employees, and other stakeholders throughout the state and the country. He was instrumental in providing training, outreach, and education on workplace safety and health to thousands of people across Nebraska and nationwide. He was also responsible for evaluating the safety and health programs of hundreds of companies, including those interested in participating in OSHA's Voluntary Protection Program (VPP) which are some of the finest safety and health management systems in existence.

ERIC STURM

eric@airregconsulting.com

ARC

Eric has exemplified Clean Air Act expertise, engineering tactics, and entrepreneurial force for over a decade. He has avidly served private industries and agencies offering premier environmental assistance, including expert testimony, with a focus on air quality regulatory matters. Different industry sectors served include agribusiness, mining, milling, power, various manufacturing and energy markets.

Prior to 2011, Eric served in federal government for the EPA where he oversaw and assisted air permitting agencies in EPA Region 7. At EPA, he worked closely with the Department of Justice and EPA Headquarters as a technical expert for enforcement cases and regulations. Eric founded ARC, an air regulations consulting firm, in early 2014.

SHAWN ZABLOCKI

shawn@airregconsulting.com

ARC

Shawn has over 25 years of experience working in all aspects of environmental, health and safety management. Before starting Z2, he spent 18 years working in the EHS field in the manufacturing sector for ConAgra Foods, Kraft Foods North America and Libbey Glass. He spent time as the EHS manager for facilities ranging in size from 300 people to 1400 people and worked for five years as a corporate EHS director with responsibility for 14 facilities.

Shawn has a B.S. in chemical engineering a law degree, both from the University of Toledo. He is a professional engineer registered in seven states.

SPEAKERS CONTINUED

JIM MACY

jim.macy@nebraska.gov

Director, *Nebraska Department of Environment & Energy*

Jim has served the state as Director of the Nebraska Department of Environmental Quality since 2015. In 2019, Environmental Quality merged with the Nebraska Office of Energy. Previously, Jim has served in a variety of capacities (for approximately 28 years) throughout the Missouri Department of Natural Resources. He also consulted with Environmental Works, Inc. of Kansas City, Missouri.

Jim holds a Bachelor of Science in Agriculture with an emphasis in Animal Science and a Master's in Education with a focus on Vocational/Technical Education from the University of Missouri-Columbia. In 2001, he received the EPA National Notable Achievement Award for Outstanding RCRA Stakeholder Involvement Team of the Year. Jim currently serves as President of the Environmental Council of the States, Co-Chair of the Electronic Enterprise Leadership Council, Vice Chair of the Nebraska Environmental Trust, and a board member of the Western States Water Council.
